## Adult Program Informational Meeting

### Programs and Golden Years

**Are you interested in the outdoors, flowers, wildlife? Or are you new to the area or looking to make friends with the same interests?**

Forest Ridge Park is interested in starting a Golden Years Club for individuals who are 50 years and better.

An informational meeting will be held on Thursday, September 20, 2018 at 10:30am. This meeting will offer an opportunity for you to share ideas for activities, speakers and presentations in which you are interested. Club meeting days and times will also be decided at this meeting.

Are you interested in helping organize or be an officer for the club (President, Vice President, Secretary, Treasure, etc.)? Don't worry if you don't have experience in these positions. As long as you have the desire and drive the Adult Program staff always offers ongoing assistance to the club and its officers.
